The Wine

Sourced from Lawrence Vineyards, Corfu Crossing. A rare bottling of 100% Grenache, fermented in 50% concrete and 50% stainless steel and aged entirely in neutral French oak 500L barrels for 19 months, 110 cases produced.

Strawberry, raspberry, black cherry and watermelon mixed with sandalwood and a hint of garrigue. Swirling brings up some sweet red fruit and potpourri. The palate has a creamy entry with fine tannin and a saline, watermelon and strawberry finish.

The Vineyard

Gård Vintners is 100% estate grown sustainably at Lawrence Vineyards on the Royal Slope of the Columbia Valley AVA, featuring seven distinct vineyard sites with elevations ranging 930 feet to 1,675 feet. The combination of elevation and south-facing slope provides a great framework for grape production, while the diversity of the seven locations delivers a high level of complexity to Gård wines. Lawrence Vineyards is certified sustainable by Vinewise.org.

The Winery

Founded in 2006, Gård Vintners is a family-owned and operated estate winery on the Royal Slope in the heart of Washington's Columbia Valley AVA, with Aryn Morell at the helm as winemaker at our production facility in Walla Walla, and tasting rooms in Ellensburg, Walla Walla and Woodinville.

Our mission at Gård is to capture and bottle the unique characteristics of the land we farm. We humbly craft value-driven, award-winning wines from our sustainable estate vineyards to create lasting memories for our customers.

Gård , meaning "farm" in many Scandinavian languages, is a tribute to our family's heritage and farming tradition.
