The Wine

Cassis, violets, dry sage, menthol and tangerine peel, this Bordeaux blend from Solaksen vineyard showcases a combination of sweet and savory tones on the nose. Swirling brings raspberry purée, potpourri, fresh plums, oak spice and graphite. Layered and mouthwatering, the wine has good texture and structure, with some nice tension holding everything together. The wine is still young, give it some air and you'll see it shine in your glass. Drink now or in the next 10 years.

Vineyard Series

The Vineyard series wines are meant to be a pure, honest representation of the site from which they were sourced. Solaksen vineyard (1,430-1,490 ft elevation) was planted off-axis over a fine, sandy loam soil. This high elevation site produces lifted, vibrant and very aromatic wines with great structure and length.

The Vineyard

Gård Vintners is 100% estate grown sustainably at Lawrence Vineyards, featuring eight distinct vineyard sites in the Royal Slope AVA. With elevations that range 930 feet to 1,675 feet and primarily a south-facing slope, Lawrence Vineyards provides a great framework for grape production, while the diversity of each of the locations delivers a high level of complexity to Gård wines. We also farm vineyards on the Wahluke Slope and Conner Lee in the Columbia Valley. Lawrence Vineyards is certified sustainable by Vinewise.org.

The Winery

Gård, meaning "farm" in many of the Scandinavian languages, is a tribute to our family's Scandinavian heritage and farming tradition. Founded in 2006, Gård Vintners is a family-owned and operated estate winery in the heart of Washington's Royal Slope AVA, with vineyards on the Royal Slope, wine production in Prosser, tasting rooms in Ellensburg, Walla Walla and Woodinville and Gård Public House restaurant in Royal City.
