The Wine

Extremely intense on the nose, the 2023 Grenache Rosé begins with strawberry syrup, rose petals, watermelon, lavender, wet stones, and citrus peel. Swirling brings white stone fruits, guava, and potpourri, with seashells and mineral undertones. The mouthfeel is light to medium-bodied, with fantastic texture and lifted acidity. Low in alcohol, the mid-palate is crunchy and juicy, with remarkable tension and phenomenal sweetness. Showcasing tons of Provence-style characteristics, the wine finishes extremely long and mineral, with a kiss of sweetness to back it up. Beautiful now, you can enjoy this great rosé for the next 3 years.

The Vineyard

Gård Vintners wines are 100% estate grown sustainably at Lawrence Vineyards, featuring 14 distinct vineyard sites. With elevations that range 870 feet to 1,675 feet and primarily south-facing slopes, Lawrence Vineyards provide a great framework for grape production, while the diversity of each of the locations delivers a high level of complexity to Gård wines. Lawrence Vineyards is certified sustainable.

The Winery

Gård, meaning "farm" in many of the Scandinavian languages, is a tribute to our family's Scandinavian heritage and farming tradition. Founded in 2006, Gård Vintners is a family-owned and operated estate winery in the heart of Washington's Royal Slope AVA, with vineyards on the Royal Slope, wine production in Prosser, tasting rooms in Ellensburg, Walla Walla and Woodinville and Gård Public House restaurant in Royal City.
