The Wine

Honeysuckle, honeycomb, lychee, white currants and a hint of citrus spun sugar. Swirling brings up melon and stone fruits with white tea. The palate has lots of juicy white fruits, citrus crème and a faint hint of crème brulee in the finish. Its fleshy with good acidity and beautifully aromatic.

The Winemaking

A new wine from the Conner Lee vineyard that is known for its Sauvignon Blanc and Sémillon. Only neutral French oak barrels were used for fermentation and aging, the wine was stirred periodically and then was sterile filtered to keep the aromatics high.

The Vineyard

Gård Vintners is 100% estate grown sustainably at Lawrence Vineyards, featuring eight distinct vineyard sites in the Royal Slope AVA. With elevations that range 930 feet to 1,675 feet and primarily a south-facing slope, Lawrence Vineyards provides a great framework for grape production, while the diversity of each of the locations delivers a high level of complexity to Gård wines. We also farm vineyards on the Wahluke Slope and Conner Lee in the Columbia Valley. Lawrence Vineyards is certified sustainable by Vinewise.org.

The Winery

Gård, meaning "farm" in many of the Scandinavian languages, is a tribute to our family's Scandinavian heritage and farming tradition. Founded in 2006, Gård Vintners is a family-owned and operated estate winery in the heart of Washington's Royal Slope AVA, with vineyards on the Royal Slope, wine production in Prosser, tasting rooms in Ellensburg, Walla Walla and Woodinville and Gård Public House restaurant in Royal City.
