The Wine

Floral notes of honeysuckle, citrus blossom with spiced pear and peach pit. Swirling brings up sweeter fruits, lemon curd and spun sugar. The palate is impeccably polished, with pear, peach and pithy citrus intertwined with bloomed baking spices. The finish is long and spicy with great freshness and lift. A complex and age worthy wine that has terrific focus now and will gain weight and texture as it ages.

The Winemaking

Picked at night to maintain freshness, it was then whole cluster pressed and settled for 48 hours before going to barrel to start fermentation. Fermented and aged in 100% new Stockinger 600L barrels, this format allows for very slow development to maintain purity and the oak origin adds complimentary spice driven aromas. We allowed this wine to ferment slightly drier than usual to accommodate for the warmer vintage.

The Vineyard

Gård Vintners is 100% estate grown sustainably at Lawrence Vineyards, featuring eight distinct vineyard sites in the Royal Slope AVA. With elevations that range 930 feet to 1,675 feet and primarily a south-facing slope, Lawrence Vineyards provides a great framework for grape production, while the diversity of each of the locations delivers a high level of complexity to Gård wines. We also farm vineyards on the Wahluke Slope and Conner Lee in the Columbia Valley. Lawrence Vineyards is certified sustainable by Vinewise.org.

The Winery

Gård, meaning "farm" in many of the Scandinavian languages, is a tribute to our family's Scandinavian heritage and farming tradition. Founded in 2006, Gård Vintners is a family-owned and operated estate winery in the heart of Washington's Royal Slope AVA, with vineyards on the Royal Slope, wine production in Prosser, tasting rooms in Ellensburg, Walla Walla and Woodinville and Gård Public House restaurant in Royal City.
