About the Collection Series

Gård Vintners' Collection Series aims to showcase the unique characteristics of our specific estate vineyard sites farmed sustainably on the Royal Slope. Lawrence Vineyards provides an excellent framework for grape production, while the diversity of each location delivers a high level of uniqueness and complexity to our wines.

The Wine

Black fruit, sweet tobacco, and stone fruit aromas. The 2019 Stoneridge Syrah Collection is explosive on the nose, with savory and spiced notes. The wine opens to notes of cardamom, dry figs, and oak spice. The mouthfeel is full bodied, with huge volume and remarkable structure. Wine finishes extremely savory with notes of chartreuse liquor and lingering butterscotch. Enjoy now or in the next 10 years.

The Vineyard

Stoneridge Syrah was planted in 2000 & 2013. 845-1,775 ft elevation. Row orientation: 0° north. South slope. Soil profile: Ephrata fine sandy loam/Malaga cobbly sandy loam

Gård Vintners wines are 100% estate grown sustainably at Lawrence Vineyards, featuring 14 distinct vineyard sites. With elevations that range 870 feet to 1,675 feet and primarily south-facing slopes, Lawrence Vineyards provide a great framework for grape production, while the diversity of each of the locations delivers a high level of complexity to Gård wines. Lawrence Vineyards is certified sustainable.

The Winery

Gård, meaning "farm" in many of the Scandinavian languages, is a tribute to our family's Scandinavian heritage and farming tradition. Founded in 2006, Gård Vintners is a family-owned and operated estate winery in the heart of Washington's Royal Slope AVA, with vineyards on the Royal Slope, wine production in Prosser, tasting rooms in Ellensburg, Walla Walla and Woodinville and Gård Public House restaurant in Royal City.
