The Winemaking

Wines from the Winemaker's Select Series are manually harvested and carefully sorted from the best spots of our vineyards. This rich and exotic Rosé is made from 100% free run juice from the Tablas Creek clone of Grenache from Corfu Crossing Vineyard. Fermented and aged in 50% new French oak 500L's for 18 months. The wine was kept on the lees for its entire life and bottled unfiltered.

The Vineyard

Gård Vintners is 100% estate grown sustainably at Lawrence Vineyards, featuring eight distinct vineyard sites in the Royal Slope AVA. With elevations that range 930 feet to 1,675 feet and primarily a south-facing slope, Lawrence Vineyards provides a great framework for grape production, while the diversity of each of the locations delivers a high level of complexity to Gård wines. We also farm vineyards on the Wahluke Slope and Conner Lee in the Columbia Valley. Lawrence Vineyards is certified sustainable by Vinewise.org and glyphosate free.

The Winery

Gård, meaning "farm" in many of the Scandinavian languages, is a tribute to our family's Scandinavian heritage and farming tradition. Founded in 2006, Gård Vintners is a family-owned and operated estate winery in the heart of Washington's Royal Slope AVA, with vineyards on the Royal Slope, wine production in Prosser with tasting rooms in Ellensburg, Walla Walla, Woodinville and Royal City, Washington.
