\$55

About the Collection Series

Gård Vintners' Collection Series aims to showcase the unique characteristics of our specific estate vineyard sites farmed sustainably on the Royal Slope. Lawrence Vineyards provides an excellent framework for grape production, while the diversity of each location delivers a high level of uniqueness and complexity to our wines.

The Wine

Black cherries, blackberries, fig, white pepper, violets and stone minerality. Swirling enhances notes of chocolate, and barrel toast. The palate expresses red and dark cherries, sweet tobacco, herbs and brown sugar. This wine shows excellent harmony and great fruit intensity and a medium to full body. Enjoy now or in the next 10 years.

The Vineyard

Solaksen Cabernet Sauvignon was planted 2013-2015. 1,416-1,462 ft elevation. Row orientation: 25° southwest. South slope. Soil profile: Adkins very fine sandy loam.

Gård Vintners wines are 100% estate grown sustainably at Lawrence Vineyards, featuring 14 distinct vineyard sites. With elevations that range 870 feet to 1,675 feet and primarily south-facing slopes, Lawrence Vineyards provide a great framework for grape production, while the diversity of each of the locations delivers a high level of complexity to Gård wines. Lawrence Vineyards is certified sustainable.

The Winery

Gård, meaning "farm" in many of the Scandinavian languages, is a tribute to our family's Scandinavian heritage and farming tradition. Founded in 2006, Gård Vintners is a family-owned and operated estate winery in the heart of Washington's Royal Slope AVA, with vineyards on the Royal Slope, wine production in Prosser, tasting rooms in Ellensburg, Walla Walla and Woodinville and Gård Public House restaurant in Royal City.
