The Wine

With a beautiful deep gold color, the 2021 Ice Wine is intensely aromatic on the nose. The wine begins with caramelized pineapple, white peach, clover honey, candied lime, and hints of ginger and sage. Swirling brings a lovely combination of citrus and stone fruits, as well as crushed flowers and ripe tropical fruits. The palate is remarkably fresh, with thrilling acidity and flavors of pear compote, raw mango, and hints of oak spice, beeswax, and tangerine peel. Full bodied with great tension and length, the wine finishes extremely long with lingering acidity and a touch of spice. Beautiful now, this Ice Wine Riesling can age for the next 10+ years.

The Vineyard

Gård Vintners is 100% estate grown sustainably at Lawrence Vineyards, featuring eight distinct vineyard sites in the Royal Slope AVA. With elevations that range 930 feet to 1,675 feet and primarily a south-facing slope, Lawrence Vineyards provides a great framework for grape production, while the diversity of each of the locations delivers a high level of complexity to Gård wines. We also farm vineyards on the Wahluke Slope and Conner Lee in the Columbia Valley. Lawrence Vineyards is certified sustainable by Vinewise.org.

The Winery

Gård, meaning "farm" in many of the Scandinavian languages, is a tribute to our family's Scandinavian heritage and farming tradition. Founded in 2006, Gård Vintners is a family-owned and operated estate winery in the heart of Washington's Royal Slope AVA, with vineyards on the Royal Slope, wine production in Prosser, tasting rooms in Ellensburg, Walla Walla and Woodinville and Gård Public House restaurant in Royal City.
