#### The Wine

All Roussanne and with a pale amber color, this is the first natural, sans soufre white wine Gård has ever made. The nose here is remarkably pure and layered, with intense notes of white pear, candied ginger, ripe papaya, dried apricot, and sweet herbs. Swirling brings citrus notes of lemon zest, orange peel, and grapefruit, as well as white flowers, raw honey, and bergamot tea. The mouthfeel is vibrant but textured, with a beautiful combination of ripe stone fruits, citrus flavors, and dried herbs. Extremely complex and with great acidity, the palate is intense and dynamic and keeps evolving the longer it sits in the glass. The wine finishes very long, with a kiss of citrus sweetness and a crunchy grip that makes you crave another sip. A hedonistic new wine that will give your senses both a challenge and a treat. Beautiful now, enjoy for the next 4 years.

#### About Sans Soufre

Sans Soufre, a French abbreviation for “no sulfur dioxide added,” is synonymous with natural wine. Our Sans Soufre wines undergo a natural fermentation without added yeast or sulfur. A secondary malolactic fermentation softens the wine with a creamy texture. The wine is bottled unfiltered and unfiltered.

#### The Vineyard

Gård Vintners is 100% estate grown sustainably at Lawrence Vineyards, featuring eight distinct vineyard sites in the Royal Slope AVA. With elevations that range 930 feet to 1,675 feet and primarily a south-facing slope, Lawrence Vineyards provides a great framework for grape production, while the diversity of each of the locations delivers a high level of complexity to Gård wines. We also farm vineyards on the Wahluke Slope and Conner Lee in the Columbia Valley. Lawrence Vineyards is certified sustainable by Vinewise.org.

#### The Winery

Gård, meaning “farm” in many of the Scandinavian languages, is a tribute to our family’s Scandinavian heritage and farming tradition. Founded in 2006, Gård Vintners is a family-owned and operated estate winery in the heart of Washington’s Royal Slope AVA, with vineyards on the Royal Slope, wine production in Prosser, tasting rooms in Ellensburg, Walla Walla and Woodinville and Gård Public House restaurant in Royal City.
